

Philadelphia Boys Gymnastics Publicity Consent Form

Dear Parent/Guardian:

Photos, videotape footage, and/or personal interviews with PGB students are often used as part of PGB's community relations efforts including marketing materials, publications, and social media postings. To protect the privacy of our students and families, parents/guardians are asked to review this form and indicate whether your child(ren) may be photographed and/or videotaped for PGB communication and marketing purposes.

Yes, I give permission for my child(ren) to be photographed and/or videotaped in PGB publications, marketing materials, and social media postings.

No, I DO NOT want photographs or videotape of my child(ren) intentionally used in PGB publications, marketing materials, or social media postings.

Please note that your child's photo will still be included in PGB team photos unless otherwise specified in writing to PGB. Selecting this option prevents intentional use of your child's photo or videotape footage. In situations in which large groups of people are participating, it is impossible not to photograph or video tape certain students, and, therefore, we cannot prevent the use of photos or videotape footage that unintentionally includes your child. Also, selected this option is not a valid means of preventing the media or general public from taking photos/videos of your child.
