HOW IT WORKS

All video entries will be recorded in the safety
of your own gym on your own equipment.

Gyms will have two weeks to record and submit
routines for each athlete.

FTI will provide instructions for recording and
uploading videos.

All videos will be judged by USAG JO judges.

FTI will release Award Ceremony videos for each
Level/Age Group, which can be viewed at each gym
as a "Watch Party" or by each athlete individually.

All awards and gifts will ship directly to your gym
for distribution during the Award Ceremony video.
